Showcase, Tulsa Elite Invite
81 total games this season

High School Highlights

2016 7A AR State Softball Champions

Player Bio

I have played with the Mustangs for four seasons and helped my team to win 14U ASA Southeast Nationals last fall. In high school I play varsity softball and varsity basketball. In my free time I enjoy hiking and the outdoors and would like to play college softball while working towards a degree in pharmacology to become a pharmacist.
